Remarks

One of two adjacent homesites available, this oversized parcel offers nearly half an acre and backs directly to the Cape Haze Pioneer Trail. This scenic 8-mile trail runs the length of the Cape Haze Peninsula, stretching from western Port Charlotte to Placida and the Boca Grande Causeway, following the historic route of the former Charlotte Harbor & Northern Railway. Golfers will appreciate several nearby courses just minutes away, while anglers have convenient access to multiple marinas, the Placida boat ramp, and some of the area's best fishing in Boca Grande Pass and Charlotte Harbor. AS added advantage this lot may be combined with the neighboring parcel to create an approximately three-quarter acre homesite, offering additional space and flexibility for your future plans.
